

Natalia Calaretu

She is not yet 2 years old and suffers from cancer of her throat and kidneys. Natalia was born in Bucharest, Romania, and lives with her family in modest circumstances.

The family needs EUR 42,900 for treatment at the Memorial Hospital in Istanbul. Since the end of February 2022, a total of EUR 13,999 has been donated by 865 people and companies.

You too can help so that Natalia has a chance to heal.
